canyoningteam@cablelink.at, www.faistenau.org

Forest Climbing Path in Faistenau

The brand-new recreational facility is located in a forest clearing near the town center of Faistenau! The course, with over 30 stations of wood and ropes (some simple, some challenging), leads through the trees at a modest height (80-120 cm). Parking is available at the Faistenau sports club. From here, a pram-accessible path leads alongside the woods and puts the entire family in just the right mood for the upcoming action.
