An unlimited ski paradise in which you place everything on one card and still play on the "safe side" - does this exist? Of course - it's called **Ski amadé** and, with 280 km of "blue", 483 km of "red" and 97 km of "black" pistes, it offers magnificent diversity for all ability levels. Furthermore, **Ski amadé** pampers winter sports fans

with: fun parks, half-pipes, free-ride areas and racing runs, state-of-the-art lifts and snow machines, cosy ski huts and umbrella bars, perfect hotel accommodation and après-ski offers, wellness facilities and spas, child-friendly ski schools and ski kindergartens, good transport connections and low-priced special

promotion weeks with all inclusive offers. For even more good reasons why you should choose **Ski amadé** this winter, click under:
